FOR IMMEDIATE RELEASE

Weekend Nighttime Work Scheduled for SR12 Rio Vista Bridge

Motorists Can Expect Significant Delays

SACRAMENTO and SOLANO COUNTY – Caltrans has scheduled nighttime work on the Rio Vista Bridge on State Highway 12 in Sacramento and Solano counties. Motorists should expect significant delays beginning Saturday evening into Sunday morning.

The contractor is scheduled to work from 9 p.m. Saturday, March 24 to 10 a.m. Sunday, March 25. Workers will be adding additional tarps and setting up scaffolding to cover the bridge.

When one-way traffic controls are in effect, crews will alternate traffic in the westbound and eastbound directions on the bridge. This will allow one lane on the bridge to remain open.

For marine traffic, please contact the U.S. Coast Guard for availability of crossings. Smaller boats may pass normally underneath the bridge. Motorists are encouraged to visit the project website for additional information at www.riovistabridge.com.

Caltrans advises motorists to “Be Work Zone Alert.” The department will issue construction updates on Twitter [@CaltransDist3](https://twitter.com/CaltransDist3) and on Facebook at [CaltransDistrict3](https://www.facebook.com/CaltransDistrict3). For real-time traffic, click on Caltrans’ QuickMap quickmap.dot.ca.gov/ or download the QuickMap app on [iTunes](https://itunes.apple.com/us/app/quickmap/id1011111111) or [Google Play](https://play.google.com/store/apps/details?id=com.caltrans.quickmap).
